Trained Nurse Advises People

"I was a great sufferer of stomach and liver trouble and cannot say enough in praise of May's Wonderful Remedy. It has done so much for me and I am recommending it to other sufferers. I was a trained nurse in Marine and other hospitals years ago, therefore many come to me for advice. I certainly received great benefit from May's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Kelly & Pollard, Potter Drug Co., and druggists everywhere.—Adv.

Wounded, lying in No Man's Land—feverish from thirst—a stick of gum to him might have been a matter of life and death

For him and 2,000,000 others in France 155,945,000 sticks of the Adams brands of chewing gum have been sent overseas.

Please remember this the next time you can't get your favorite brand of Adams gum. If Adams Black Jack is missing from the counter, try Adams California Fruit, Adams Pepsin or Adams Yucatan. To a boy in No Man's Land one stick might have been worth the price of an empire.

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

If cross, feverish, constipated, give "California Syrup of Figs."

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them. With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their "inner little insides" are injured by them. If your child's stomach, liver and bowels need cleansing, give only delicate "California Syrup of Figs." Its action is positive but gentle. Millions of mothers keep this "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach; and that a teaspoonful given today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeit sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

JUST HURT ALL OVER

Couldn't Sit, Stand or Lie With Any Comfort. Sister-in-law Gives Good Advice and Cardui Does World of Good.

Holland, Texas.—Mrs. Nannie Messer, of this place, states: "About three years ago I was in a very critical condition. I had been suffering for some time. To tell how I hurt would be impossible. I just hurt all over. I couldn't sit, stand or lay with any comfort, my back, sides and head all gave me a great deal of trouble. I was especially bothered with a light swimming in my head. My people were very uneasy about me and sent me to my relatives to see if a change would do me any good. I stopped at a sister-in-law's and she being a great believer in Cardui, asked me why I didn't use it. I decided to try it. I had only taken a few doses when I felt it would do me good. This gave hope and I used it right along and it did me just a world of good, since which time I have never ceased to praise Cardui. Cardui is recommended for simple female complaints and womanly pains and has been found to benefit in thousands of such cases when not due to malformation or that do not require surgical treatment. Try it.—Adv.
